

DeWAYNE'S QUALITY METAL COATINGS, LLC, GENERAL TERMS AND CONDITIONS OF SALE

These General Terms and Conditions of Sale "General Terms" apply to all proposals and quotations submitted by DeWayne's Quality Metal Coatings "DQMC" to all purchase orders received by DQMC, and to all sales of goods and services sold by DQMC.

1. Standard terms are Net 30.
2. All quotes are valid for 90 days.
3. Minimum lot charge is \$100 per lot per part number.
4. All quotes are based on 2% allowable scrap.
5. No freight expense is included in the quotations. DQMC shall not be responsible for any freight, transportation, insurance, shipping, storage, handling, demurrage or similar charges. All shipping dates are estimates.
6. It is the customer's responsibility to stipulate special packaging arrangements and customer will pay for additional procedures and materials.
7. Standard lead time is 5 days.
8. All pricing is subject to running samples. Final pricing will be issued after sample runs / PPAPs are completed. DQMC may correct unilaterally mathematical and typographical errors in the agreement. Price quotes don't include taxes and the customer will pay all applicable sales or other taxes associated with the goods as necessary.
9. All samples and goods shall be deemed approved by the customer if the customer does not provide a written objection or rejection within thirty days of receipt of the sample or good. Failure to reject in the above timeframe will constitute an irrevocable acceptance of the sample or good by the customer.
10. Parts must be free of rust, heavy oil, grease, and surface defects that do not come off in our normal cycle.
11. Customer is responsible for all charges associated with PPAP approval, unless surrogate data is sufficient.
